VOL. LXXX. NUMBER 6

FIREMAN GENE KALINSKI of Waukegan was with badly-burned Mark Frerks in this picture as preparations were made to fly him to the Shriners Burn Institute in Cincinnati. The Northern Ill. Conservation Club is running a trap shoot for the boy's benefit on August 15.

Shoot To Swell Mark Frerks Fund

The Northern Illinois Conservation Club hopes to appreciably swell the Mark Frerks Fund with the proceeds of a chicken shoot being held Sunday, August 15, at the NICC club grounds on Route 173 west of Antioch.

The money won't do much right now to help little Mark fight the effects of the terrible burns he received when he threw gasoline on a rubbish fire early in June. But it will help to pay for the care he received in the hospital before being flown to the Shriners Burn Institute in Cincinnati—an \$1,800 burden that his parents are completely unable to cope with at this time.

Mark's receiving the best possible care, all free of charge, at the Shriners Institute. Even so, we hear he isn't doing too well.

His mother is with him in Cincinnati. She, too, received

burns putting out the fire in Mark's clothes.

Charlie Haling conceived the idea of moving Mark to the Burn Institute and elicited the aid of the Shriners. Charlie also started the fund to help pay Mark's tremendous hospitalization bills.

Now the NICC is pitching in to give the fund a boost. Their trapshoots are always popular and they hope this one will hit a new high in attendance.

Chickens and hams will be the reward for the best shots at the trap shoot, with the losers knowing that their money is going for a good cause.

Shooting will start at 9 a.m. Sunday, August 15, and continue until dark, about 8:30 p.m. Shooters and the general public are invited.

Contributions to the Mark Frerks Fund may be mailed c/o Charles Haling, Rt. 1, Box 205, Antioch.

High School Students Need Program

Students who plan to attend Antioch Community High School this fall and do not have a program prepared must call Mr. Kurek at 395-1421 and arrange for an interview.

Students who have received letters relative to invalid programs, as well as people new to the area, or residents who did not attend Antioch High during the spring semester, must contact Mr. Kurek.

Ski Show On Lake Marie Sunday

A Water Ski Show will be presented by the Sandbar Boat & Ski Club on Sunday, August 8 at 2 p.m. at Lake Marie.

This is the eighth annual Ski Show the Club has put on. The show can be viewed from the grounds of the Sandbar Resort on Lake

ENTER FLOATS AT STATE FAIR

The Illinois Jaycees have announced that entries are now being taken for the float competition in the Opening Day Parade at the 1965 Illinois State Fair.

Representatives of cities and villages as well as civic organizations, business groups, fraternal societies and Jaycee chapters throughout the state are encouraged to enter.

Anyone interested in entering or acquiring information about the competition may contact Ted Shane, Jaycee chairman, c/o Illinois State Fair, Springfield.

The fair will open Friday, August 13, and continue through Sunday, Aug. 22.

Marie or from your own boat. There is no admission charge.

The theme of this year's show is "The Roaring 20's."

Wagner Easy Winner of Kenosha Open

"Pick" Wagner was an easy winner in the 1965 Kenosha County Open Golf match.

Wagner sewed up his victory Sunday at Maplecrest. He was four strokes ahead of his nearest competitors, Skip Adams and Joe Broesch, going into Sunday's round.

Wagner finished the 18 holes at Maplecrest with a two-under par 70 for a 200 total for 54 holes. Skip Adams was seven strokes behind "Pick" at the tournament's end. Wagner's 200 set a new tournament record, bettering the old record of 214 set by Herb Brandes in 1956 by five strokes.

Donations Bring Building Fund Up

By Bernice Bernau

A total of \$614.17 was collected last Sunday in Fox Lake Hills for the Lake Villa Rescue Squad Building Fund by 10 volunteer workers.

There are 631 homes in the area, but only about 400 were contacted. Follow-up calls will be made during the week.

Debbie Hay, Maureen and Jay Selzer held a Fun Fair last week at the Selzer home. They cleared \$4.63 which will be turned over to the building committee shortly. The youngsters are the children of Mr. and Mrs. John Hay, 2304 E. Briar Lane and Mr. and Mrs. John Selzer, 2306 E. Valley Dr., Lindenhurst.

In the past four weeks a grand total of \$5,278.38 has been raised. The Lake Villa Business Men have donated \$356.00; including the follow-ups, \$916.35 was raised in Lindenhurst and Millburn; \$1,588.61 in Venetian Village and West Millmore; \$1,802.75 in Lake Villa proper, Deep Lake, Crooked Lake and subdivisions of the north side of Cedar Lake. The committee hopes to raise the total to \$6,000 with the follow-ups. A memorial plaque will be erected in the Rescue Squad building for a donation of \$20 or more.

In exchange for a \$3 donation, the donor receives a paper building brick. Robert Denman of Millburn gave a \$3 donation for each member of his family, making a total of \$21. Mr. Denman is the president of the Antioch Community High School board of education.

Mort Engle, of N. H. Engle and Sons, Lindenhurst, has donated a lot for the new Rescue Squad building on Rte. 21 at the corner of Sarah Dr. in West Millmore. Since this is outside of Lake Villa where the Rescue Squad is stationed, they haven't accepted the property as yet. They hope some one will donate a piece of property on Route 21 near Route 132. The Rescue Squad is headquartered on Lake Street near Route 21 at present.

UNDERGOES SURGERY

Robert J. Wilton underwent surgery at Victory Memorial Hospital, Waukegan, Monday. Reports are that his condition is very good.

Wilmot Fair Adds Horse Race Event

The Kenosha County Fair at Wilmot will feature a new attraction on opening night, August 12—a program of horse racing.

The Fair will run from August 12 through August 15. The horse racing program will start at 7:45 p.m. on August 12.

Saddle races are scheduled for quarter horses, Appaloosas and open races for other fast horses in the area. Pony and harness races will present some real competition.

Generous purses furnished by the fair association are attracting the interest of the top horsemen of the area, according to Russ Olson, race superintendent.

Olson reports inquiries from all over southern Wisconsin and northern Illinois by quarter horse breeders and pony roadster trotters.

Olson looks for a large turnout for the new event. A new track has been laid at the fair grounds and, a starting gate has been rented.

Another new feature at the Fair will be a water fight Sunday afternoon, Aug. 16 at 1:30 p.m.

Fifteen fire departments in Kenosha, Walworth, Racine, and Lake County, Ill., will stage a water fight in the trout pond area.

Chairman of the event is fair director Fred Sarbacker, Jr. Four teams from each department may enter the contest which will offer the winning team a substantial prize.

In addition to these new features, the Fair will offer the usual entertainment. The Midway, complete with booths and rides; exhibits of all kinds, from prize-winning animals to handicraft, and other fun features.

Board Moves To Prod Apartment Building Owner

Who'll It Be?

THE JUDGES of the 1965 Jaycees Beauty Contest must pick the "loveliest of them all" from the twenty-one girls entered in the contest this week-end. Who will be crowned Miss Lake Region Jaycees of 1965?

Ready For Water Softener At Site of New Well

Antioch village board members moved Tuesday night to clear up a "pond" that has formed near Route 83 since construction work on the Colonial Arms apartment.

The excess water is the result of a faulty culvert, according to Edgar Simonsen. A building permit was issued to Colonial Arms with the provision that certain improvements be made, including the improvement and paving of a street.

Owners of the apartment building had the wrong street paved, among other things. Attorney Edward Jacobs was instructed to write a letter to the owners of the apartment house demanding that the building owners contact the village board in regard to the matter within five days.

The board approved payment of \$11,000 to Bob Johnson Trenching & Sewer Service for work on water mains at the new well site. Mayor Raymond Toft commented that the company had worked Saturday and Sunday to install the new mains without interrupting water service to industries in Sequoit Acres.

Bids on water softening equipment for the new well and a building to house the equipment will be let at the September 7 meeting of the board. The bids will be opened at 8 p.m.

The bill presented by Layne Western of \$7,557.20 for drilling the new well, plus \$720 for two test wells, brought objections from Attorney Edward Jacobs and Mayor Raymond Toft.

AARP Plans Two Outings

Antioch's senior citizens, represented in the AARP, have two outings lined up in the near future, the last outdoor activities of the summer.

Tuesday, August 10, members of the Association of Retired Persons will travel by bus for a day at Pheasant Run, near St. Charles.

Members will meet at the parking area of the Antioch Savings & Loan at 10:30 a.m. Reservations must be made in advance and can be made by calling John Horan at 395-0645.

Specifications for the new well were based on information supplied by Layne Western after drilling of the first test well. The information was found to be faulty, and it was necessary to drill three more test wells before a suitable one was found.

Toft pointed out that the change of location of the well was costly to the village in the running of additional sewer and water mains. The error, he said, was Layne Western's, and they should bear the expense of the extra test wells.

The \$720 was withheld pending discussion with Layne Western. The board approved payment of \$6,818 to the well-drillers.

Wednesday, August 18, the Antioch chapter will mingle with the Kenosha and Lake County chapters at a picnic at Illinois Beach State Park. This will be a family picnic, with members bringing their own lunches and some of them accompanied by children and grandchildren.

New Owners Take Over Charles Inn

The new owners of Charles' Channel Inn, Mr. and Mrs. Steve Pirko, took over Tuesday, August 3.

Mr. and Mrs. Charles Kakacek and his sister, Annette Kakacek, have operated Charles' for the last three years. They sold, says Charles, because business has been so good they just can't keep up with it.

Bohemian food is the specialty of Charles' Channel Inn and will continue to be, along with a lounge and boat rental. Located at the south end of Channel Lake on Route 173, it's a fisherman's haven.

Mr. and Mrs. Pirko have been running a restaurant on the south side of Chicago. The Kakaceks intend to take a vacation in the North Woods, then, Charles will spend some time in a hospital. The Kakaceks will live in Lombard with their daughter, while looking for a home in the Antioch area.

Barnstable also asked that No Parking signs be erected in the Fire Department parking lot. The board approved the request.

The board approved a request to allow extra policemen an amount not to exceed \$75 a year for uniforms.

Chairman of the Police Committee Arthur Meierdier reported a request from Patrolman Fred Elam that his work be confined to policing parking meters and patrolling school crossings, with hours from 8 a.m. to 5 p.m. The request was held over for consideration.

Traffic and stop sign ordinances were approved by the board. The traffic ordinance amendment prohibits parking on the north side of Lake St., from Hillside to St. Peter St., and from 6 a.m. to 1 p.m. on Sunday from the rectory to Tiffany Arms. Installation of Stop signs at the exit from the Orchard Shopping Plaza were included in the second amendment.

Four persons were taken to Victory Memorial Hospital last Saturday after a 3-car accident on Route 173 west of Route 59.

The car of Warren Murphy, Sr., Glenview, reportedly crossed the center line of the pavement and hit a car driven by Edwin J. Howe, Chicago. It then hit a car driven by Pat Guzzo, Oak Lawn.

Hospitalized were Warren Murphy, Sr., Warren Murphy, Jr., Mrs. Robbi Guzzo, and her son, Gregory.

Jaycees To Crown Queen At Farmers Picnic Sunday

The twenty pretty girls at the Jaycees' dinner for the Beauty Queen contestants—Marilyn Nix, was unable to be present—seemed relaxed and lovely. The six judges who must finally choose one girl to be Miss Lake Region Jaycee looked increasingly harried as the afternoon wore on.

The dinner, held last Sunday at the Angels, gave the judges a chance to rate the girls on poise and personality. In addition to the contestants and the judges, sponsors and Jaycee officers attended.

The Queen who is finally selected from the 21 contestants will be crowned about 3 p.m. Sunday, Aug. 8, near the Scout House. The crowning will be part of the

festivities accompanying the Lions Club Farmers' Picnic.

The Farmers' Picnic will include a host of activities. The Lions' expert chicken barbecuers will start serving chicken dinners about 11 a.m., and from then on the area around the Antioch Pool will be a busy place.

The pool will be open to swimmers, without charge, all day. There will be races and contests of all kinds throughout the afternoon. There will be tug of war between fire department teams in the district and between various organizations in the county. Somebody will "bring home the bacon" when he captures the greased pig.

The Lions hope to make the Farmers' Picnic an annual affair in which the whole town will join—sort of a family picnic day, with the Lions doing the cooking. There's no admission charge, and the proceeds from the chicken dinners sold goes to support the pool.

"We have permission to use the Library grounds, the Little League grounds, the area around the Scout House," says Gus Costoff, chairman of the affair. "We have had wonderful cooperation from everyone. Village officials have been most helpful, and Edgar Simonsen has helped us out in many ways. We hope everyone comes and has a good time."

The preliminary judging of the Jaycees Beauty Queen will be held Saturday night at the Antioch High School. The 21 contestants will appear in bathing suits and formals, and will perform their talent acts.

The judges will select five of the girls as semi-finalists on Saturday night. From these five girls, they will have the difficult task of selecting Miss Lake Region Jaycee on Sunday afternoon.

Miss 1964 Lake Region Jaycee, Joann Tanner, will crown the new 1965 Queen. Miss Tanner was also present at Sunday's dinner for the contestants.

Antioch Grade School Pupils Must Register

School officials of the Antioch Grade School District 34 urge that all new pupils and kindergarten children be registered before the first day of school.

To be eligible for kindergarten, a child must be five years old on or before December 1, 1965. If the child will be six years old before that date, he is eligible for first grade registration. The

kindergarten fee for the 1965-66 school year will be \$7.50, payable when registering.

Registrations will be taken for both Antioch and Oakland students at the Antioch Grade School office, 817 N. Main Street, Antioch. The school office is open Monday through Friday between 9:00 a.m. and 3:30 p.m.

Rescue Squad Aids Sick and Injured

The Antioch Rescue Squad took John Gavin, Northbrook, to Zion Hospital July 31, with a cut on the head.

Four persons injured in an accident on Route 173 near Antioch were taken to Victory Memorial Hospital Saturday by the squad.

Tony Ventura, Rt. 1, Box 106, was taken to Zion Hospital on August 1. He had an object stuck in his throat.

Bernice Ditter, 5723 W.

Gidding, Chicago, was aided by the squad August 1 when she suffered a cut on her right eye.

Jeff Starrett received medical aid August 2 when he swallowed a slug in front of the theater in Antioch.

Hilda Yates was taken to Victory Memorial Hospital August 2 suffering from an appendicitis attack.

George Kohlstedt, Salem, was taken to Victory Memorial Hospital when he broke an ankle in a fall from a roof.

THE SWIM CLUB MEMBERS AT THE ANTIOCH POOL—bottom row, left to right, Susan Havorka, John Showro, Susan Sander, Linda Lagerstrom, John Thain, Jerry Blakeman. Second row, Pool Manager Jim Corrigan, Diane Blakeman, Linda Jo Karr, Terry Hagan, Lorry Hagan, Don Harper, Instructor Charlotte Queen. Back row, Ron Hollstrom, Dave Fox, Bob Davis, Sue Polley and Bill Hanson. Participating in their recent meet but not in the picture were Bob Fox, Susan Anderson, Tom Queen, Dennis Thain, June Horton and Terry Eckert.

The serious conflict in South Viet Nam persists. While the House of Representatives has been engaged primarily in the consideration of far-reaching domestic issues, an increasing volume of correspondence with constituents concerns the war in Viet Nam.

The principal formal action taken on the subject of South Viet Nam was on August 10, 1964, when H.R. Res. 1145 was adopted expressing the House's support of the President, as Commander-in-Chief, to take all necessary measures to repel any armed attack against the forces of the United States and to prevent further aggression in Southeast Asia in defense of freedom.

Until recently it was considered that the United States involvement in South Viet Nam was limited to advisers, defensive measures and air and sea attacks. American forces in South Viet Nam having been increased to about 75,000, the issue now involved is whether the United States is to become committed to a large-scale ground war. Decisions emanating from the White House and from the Office of the Secretary of Defense will largely determine this question.

While House of Representatives debates on the Viet Nam conflict have been extremely limited, proposals to expand the draft law or to appropriate additional funds may soon bring the entire subject of South Viet Nam to the floor of the House. In addition, of course, any revision of the 1964 House

Joint Resolution would have the same effect.
In the last few days, a full-scale, off-the-record discussion of the Viet Nam issue was held between Members of the House of Representatives and Secretary of State Dean Rusk. The background, current situation and future of Viet Nam were major topics of concern. This discussion covered the existing and future military action in Viet Nam, as well as the various diplomatic and political efforts aimed at bringing this conflict to the negotiating table. All of these developments are receiving the constant attention of this Member of Congress.

Most will agree that the use of military force is justified only to the extent that such action can promote freedom and independence in Southeast Asia and help to encourage a peaceful settlement of the conflict. However, negotiations for peace require parties with whom to negotiate. Clearly, the Hanoi government of North Viet Nam is the principal party with whom negotiations must be conducted. Up to the present time, the Hanoi government has defied all efforts seeking to arrange a negotiated settlement, including steps taken by Great Britain, India and the 17 non-aligned nations.

Secretary Rusk has given assurance of continued efforts to seek means of peaceful settlement. The door to unconditional negotiations remains open. The question remains, "Negotiate with whom?"

EXERCISE IS MORE THAN MUSCLE BUILDER

Regular exercise not only builds muscles, it can also help control your weight, delay signs and diseases of old age, rehabilitate an injured part of the body and shorten the length of time it takes to recover from an illness. This is the good word from the American Medical Association's Committee on Exercise and Physical Fitness. The committee also notes that the proper exercises can help a child gain skill in movement and can bolster self-confidence.

Courthouse Notebook

Advocates of the data processing equipment installed by the Lake County Board of Supervisors a few years back are beginning to feel they have finally silenced most of the critics of the equipment even though all the claims made during the sales pitch to the county board have not been realized.

Most of the bugs have been eliminated from the preparation of tax bills and in keeping records of tax payments, but the equipment has not completely replaced the humans in the County Treasurer's office.

Actually there are more employees on the county payroll engaged in the preparation of tax bills and the work involved in the collection of taxes, posting and balancing the tax books than before the introduction of the equipment because of the growing number of people involved in the data processing department.

When the cost of renting the equipment is added to the payroll it appears that tax extension and collection procedures cost more than in the days before the data processing.

As a compensation, however, the equipment is being utilized by other departments leading advocates to claim full success for the venture.

Former Sheriff Stanley M. Christian and Chief Deputy Norris Froelich were among those on hand, but both were discreet in their politicking for the Republican nomination for Sheriff.

Did you have the feeling that Maxwell St. days lacked enthusiasm? You must have noticed the halfhearted participation in one of the biggest annual promotions put on by the C. of C. Perhaps Mrs. Consumer is tiring of the same old thing. Methinks it would be a good idea for the Sales-Promotion Comm. to come up with a fresh new idea that will keep Antioch "on top" when it comes to a place to shop!

THE LATEST REPORT: UH! uh! That's not an Italian type fountain and pool going in at the Chamber's comfort corner—it's a planter! By the looks of it, one would think they could be planting redwoods. . . . Another pond finds its way into the column this week; over in Sequoit Acres there's a pond that seems to have a close relationship to the fire hydrant adjoining it. . . . Letter to the Editor
Antioch News
Dear Editor:

This letter is written not in a way of criticism, but with information of facts, as many times your staff has to write articles with the information that is furnished on a guess basis and this was the case in reference to an article published in your issue of July 22, 1965, entitled "Legion Honors Two Antioch Men," and relative to that part of the article as to the organizing of Antioch American Legion Post, No. 748.

Now let's look at the record of Antioch World War I-veterans were invited to attend a meeting at the Henning Johnson Resort on Deep Lake, Lake Villa, by the Lake County Vetsire 604 of the Forty & Eight, the fun society of the American Legion.

The meeting was called for the fall of 1925 and over 20 veterans from Antioch were in attendance and after some discussion in detail, 15 of those present signed an application to form a Legion post in Antioch and by Feb-

ruary of 1926 the officers and other details were completed and on February 25, 1926, the National charter was received signed by: J. R. McQuigg, National Commander; James F. Barton, National Adjutant; co-signed by: Scott W. Lucas, Department of Illinois Commander and Floyd J. Heckel, Department Adjutant.

The first commander of Antioch Legion Post was Raymond L. Webb, deceased, and John L. Horan, post adjutant, with the post holding meetings in Antioch Village Hall.

The following Antioch veterans the required number of 15 that signed the application and later became charter members are as follows:

- *John L. Horan
- *Otto S. Klass
- *Dr. George W. Jensen
- *Chris Laursen
- *Clyde Fields
- *Harry D. Regan
- *Russell Mead
- *Ellis Story
- *Charles A. Atwood
- *Arthur Maplethorpe
- *Paul Chase
- *Charles McCorkle
- *Samuel M. Walance
- *Raymond L. Webb
- *Adolph Pesat
- (*) Past Commander
- (*) Deceased

MURDER WEAPONS

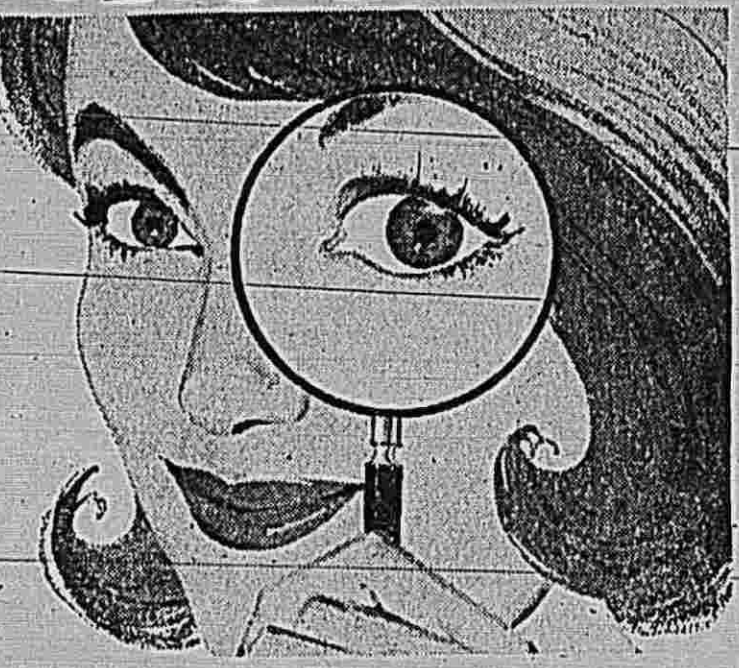

"A gun collector reportedly offered the widow of Lee Harvey Oswald \$10,000 for the guns used by him in the assassination of President Kennedy and the murder of Dallas Police Officer J. D. Tippit.

"I also noticed that the government might step in and pass the legislation to declare the weapons property of the United States.

"It would be tragic if the guns were to become a sideshow attraction, along with the bearded lady, at some cheap carnival." — The Libertyville Independent-Register.

The corner of Lake and Main is beginning to really shape up. The long-talked-about plans of the Chamber of Commerce to beautify the corner appear to be swinging into action.

NOW TEACHER CAN HIT BACK

Teachers will face the next school year with a free and easier mind.

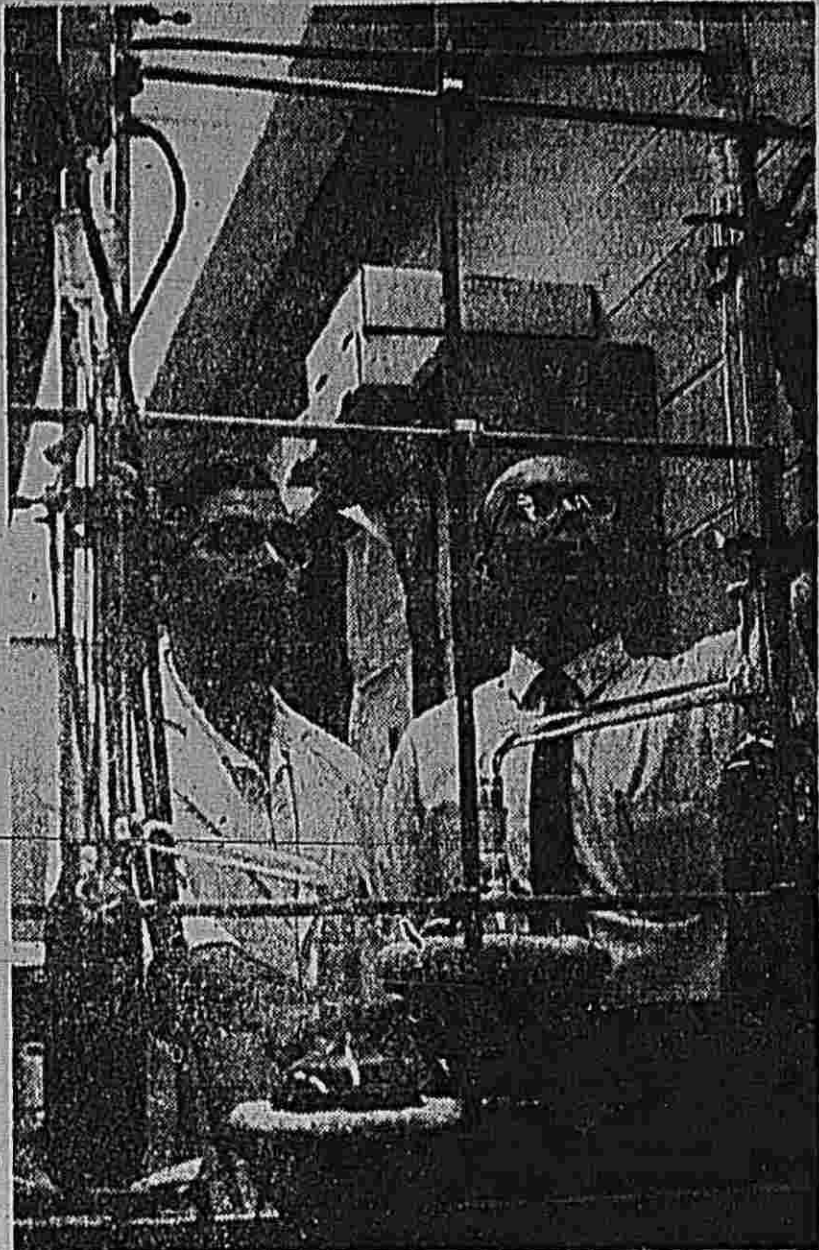

No more need the teacher grit his teeth in helpless fury when an undisciplined youngster defies him, and sneers at his inability to enforce his orders. Now teach can smack him where it'll do the most good—and no one needs to worry about

being sued by a parent. And if parents object too vociferously—always assuming that the punishment was justified—maybe the legislature should pass another law permitting the teacher to use a paddle on the truculent parent.

HIGHWAYS ARE HAPPY WAYS.

Oh, yeah? Now that work on Lake Ave. at Channel Lake is finally started, residents on the north end of Lake Ave. have to take the long way round to Antioch at times. The long way is really long—around via Trevor Road, coming into Antioch from the north. Let's hope they don't remove both bridges and then find emergency work somewhere else, leaving us isolated on our own little island.

NI-Gas Reports Earnings Up In '65

Northern Illinois Gas Company, in its quarterly statement to stockholders (Aug. 1), reported increases in both consolidated revenues and earnings for the 12 months ended June 30, 1965, as compared with the same period a year ago.

Revenues totaled \$193,400,000 and earnings were \$2.17 a share for the most recent period. Revenues and earnings were \$11,200,000 and \$2.09, respectively, for the 12 months ended June 30, 1964. President, pointed out that the transfer of many industrial customers from interruptible service to firm or year-around service, plus help from the colder-than-normal weather, more than overcame the rate reductions of recent years and contributed to the increase in earnings.

Chandler also told stockholders that increasing demand and effective sales work have placed the company near the top in the industry in the sale of natural gas air conditioning, the sale of 797 residential and small commercial units in the first six months exceeded the company's goal for all of 1965, and was more than was sold during the entire 1964 calendar year.

Sales also soared in the large tonnage field (over 10 tons). Chandler stated, and NI-Gas is now furnishing enough natural gas to match the cooling output of more than 62,000 average-size room coolers.

Chandler reported that strong progress is also being made in the natural gas total energy field, and cited Lewis College in Lockport and the new Dixie Square Shopping Center in Harvey as the newest NI-Gas total energy customers. Total energy systems are also being planned for a motel, a large office building, two apartment complexes and three high schools in NI-Gas territory, he added.

Outing For Children Of Grove School

The second outing for handicapped children will be held Saturday, August 14 at Ridge Farm in Lake Forest. Free entertainment and refreshments will be supplied for the children. Races, pony rides, rides in fire trucks and squad cars will make up part of the fun.

The service School Command band and drill team will perform. Food and treats will be furnished.

There are an estimated 23 million 4-H alumni in the United States.

P.O. Sets Zip Code Deadline

Postmaster General John A. Gronouski has issued the final order requiring second and third class volume mailers to convert fully to ZIP code by January 1 of 1967.

Second class covers newspapers, magazines and periodicals, while third class generally covers advertising matter and certain types of merchandise.

The Postmaster General's ruling followed months of extensive consultation with representatives of the publishing and mail advertising industries and thousands of words of testimony before the House Post Office and Civil Service Subcommittee on Postal Facilities and Modernization.

Eliminated was the requirement to include ZIP Code in simplified mail for delivery to rural and star routes and post office box holders, and on mail already pre-sorted and bundled to the five-digit code destination.

The July deadline was dropped largely on representation of the mailers' Technical Advisory Committee, consisting of representatives of all the major second and third class mailing industry associations and organizations.

On the question of delaying the ultimate deadline, the Department said there was no possibility of a compromise.

"We have taken this course," Postmaster General Gronouski said, "because it is the only course to take. We have agreed to some changes, which will help the industries involved, without eroding our main objective. But we have had to set a mandatory deadline for pre-sorting to ZIP Code, and those mailers who have not yet seen fit to cooperate will still have a period of 18 months to adapt to the program."

Kerner Signs Bills On Banking Dep't.

A new State banking department, concerned only with the supervision and welfare of the State Banks in Illinois, will be created by Senate Bills No. 1025-29. The bills were signed last week by Governor Kerner.

The new act makes Illinois the first state in the Union to establish a banking department devoted solely to the banking industry. All costs of the operation of the department will be assessed against the industry.

The new banking department will be headed by a Commissioner of Banks and Trust Companies appointed by the Governor for a five-year term. The Governor will also appoint for three-year terms an eleven-man board consisting of the Commissioner, six bankers representing various sizes of banks in the State and four representatives of the general public.

Stroke Victim Finds Help In Heart Association Booklet

Very often it's the little things in life that really count.

This is especially true for the stroke patient who is trying to readjust his day-to-day living, faced with a physical handicap.

How does he dress if one arm is paralyzed?

How does he move about if only one leg is functioning?

Those who face this problem can now find help in a booklet published by the American Heart Association.

Called "Do It Yourself Again," this 48-page publication on self-help devices is available by writing the Chicago Heart Association, 22 W. Madison St., Chicago, 60602. There is no charge for a sample copy.

The Chicago Heart Association, which serves Cook, Lake and DuPage counties in the fight against heart and blood vessel diseases, is an affiliate of American Heart.

The booklet describes the devices, explains how to use them and tells how they can be made or where they can

be purchased. The material was prepared under the direction of Dr. Edward E. Gordon, director of the department of physical medicine and rehabilitation at Michael Reese Hospital and Medical Center.

The booklet is mainly for stroke patients who have temporarily or permanently lost the use of one arm, one leg or both arm and leg on the same side. Some patients who are recovering from a stroke may have other combinations of arm and leg injury and they too should find parts of the book helpful.

Some of the devices included in the publication are used in eating, bathing, grooming, dressing, reading and writing, telephoning, housework and walking.

Although the booklet speaks directly to the stroke patient, it is also meant to be read by other members of the family, who will play an important part in locating devices and in helping the patient become adjusted to them.

William E. Rooker

Accepts Position With Chicago Medical School

The appointment of William E. Rooker, longtime airline fiscal executive, as vice president for business administration of The Chicago Medical School has been announced by Dr. John J. Sheinin, president of the school.

Mr. Rooker was with Trans World Airlines for 17 years, from 1946 through 1963, first as general auditor and then as assistant treasurer.

He comes to The Chicago Medical School from Roosevelt University in Chicago where he served as vice president for fiscal affairs in 1964.

A native of Easton, Pa., he obtained a B.A. degree from Rider College in business administration and is a certified public accountant.

Before joining TWA in 1946, Mr. Rooker served as a Navy lieutenant for three years with the Supply Corps. He was in charge of cost inspection on Navy contracts for construction of aircraft in the Third Naval District in the New York City area.

He lives at 1 North Ave., Antioch, with his three children, Richard, 18, a June graduate of Antioch Community High School; Maureen, 13, a June graduate of Oakland Grade School; and John, 8, in the fourth grade at Oakland.

Wis. State Fair Open August 13-22

The Wisconsin State Fair at Milwaukee will run from August 13 to 22 this year.

One of the features of this year's Fair will be the "Aqua Circus." Some of the world's finest professional high diving champs and diving comedians, plus personalities from the theatrical and variety field, will provide fast-moving entertainment.

Youth will be represented at the Fair, with booths by the Girl Scouts, Boy Scouts, 4-H Clubs, Future Farmers of America and Future Homemakers of America.

Rides of all kinds will be featured on the Midway. The Meteor, a new attraction, will send Fairgoers whirling through space like a shooting star.

There will be both professional and amateur Flower Shows.

Cigarette Tax Stamps A Must

Beginning Sunday, August 1, retailers will be responsible for new stamps on each package of cigarettes they sell, according to Marshall Korshak, director of the Illinois Department of Revenue. Recent legislation, effective Aug. 1, has increased the tax from two mills to 3½ mills per cigarette, or three cents making the total state tax seven cents a package.

All 20-cigarette packages sold on or after Aug. 1 must bear either a new pink seven-cent stamp or a new black and white three-cent "floor stock tax" stamp over the old blue and green four-cent stamp. The floor stock tax stamp must be affixed by the retailer or the distributor by the effective date to all packages of cigarettes stamped at the lower previous rate.

It will be necessary for all sellers to take an actual inventory at the close of business on July 31 and order any additional stamps required. Inventory declaration forms and stamp order forms are being issued by the Illinois Department of Revenue.

Get Ready For Summer Heat

Summer is a season of well-being, for persons with heart and blood vessel diseases as well as for those who are in good health.

Respiratory infections and sore throats bow out of the picture to a great extent, and the weather seems to be on our side, for the most part.

Until the first heat wave hits.

Then all of us experience a set of miseries too familiar to require description. But while we may just be miserable, the consequences for persons suffering from circulatory disorders may be more serious, the Chicago Heart Association warns.

In all of us, the heart works harder under conditions of high heat and humidity to maintain body temperature at normal levels. It does this by pumping a greater volume of blood at a faster rate, actually measurable in controlled experiments.

The normal heart has adequate reserve power to accommodate to the stress imposed by heat and humidity. But the demands placed on a damaged heart may add up to dangerous strain—as much or even more than burdens imposed by exercise or exertion.

The wise thing to do, then, is: take it easy, and try to keep cool. The standard hot weather tips—eat and dress lightly, bathe or shower often, stay out of the hot sun, avoid undue exertion—are good advice for the cardiac, as well for healthy persons of all ages.

Summer heat has another built-in health hazard of particular significance to persons with circulatory problems: salt depletion. We perspire heavily in hot weather, losing large quantities of salt as well as fluid in the process. Replacement by drinking more water and taking extra salt, usually at the table—would seem to be a simple counter measure.

But what about the cardiac

Sunday night was the first time the Antioch Aqua Center Swim Club competed in a scheduled race with another pool.

The Zion Swim Club helped the Antioch Club make its debut. The Zion Club is under the direction of Mrs. Marty Berry, who is assisted by her husband, Mr. Barry acted as starter.

Speed swimming is popular in Zion, which is proved by the 100 boys and girls who participate.

The group, mainly consisting of eight to fifteen-year-olds, has been competing for the last few years.

The Antioch Speed Swim Club is comparatively new. It was formed July 10 of this year. Seventeen enthusiastic boys and girls ranging in age from ten to eighteen-year-olds are charter members. This zealous group practices six mornings and two nights each week.

Mrs. Charlotte Queen is the coach and Dave Fox is the assistant coach. It is hoped that other area youth will join the club to make it even more successful.

The competition Sunday night consisted of free style, breaststroke, and backstroke events, as well as relays and medleys. The events were swam according to separate boy and girl age groups.

The 8 and 9-year-olds swam exhibition while the 10 to 12, 13 to 15, and 16 and over age groups competed for team points.

The 8-year-olds, Tommie Queen and Dennis Thain, were recruited for the exhibition which was free style across the pool.

The regular events were 33 1/3 yards, one length of the pool, 66 2/3, two lengths, or 100 yards, 3 lengths.

The relays were 100 yards of freestyle and the medleys were 133 1/3 yards consisting of one length each of backstroke, breaststroke, butterfly and freestyle.

Although Zion won, 198-75, the Antioch group was pleased with its first encounter.

Berning Elected To National Board

At the recent convention of the National Association of Counties, held in San Diego, California, Lake County Treasurer, Karl Berning was elected to the Board of Directors of the National Association of County Treasurers.

Since his election to office in November 1962, Berning has been active in both the State and National Associations and holds the office of Vice President in the State of Illinois Association of County Treasurers.

or hypertensive patient in whom the doctor is trying to lower salt intake, or to promote salt excretion by means of certain drugs? For such patients, the stepped-up loss resulting from heat stress may combine with drug-induced salt loss to produce harmful circulatory changes.

The Chicago Heart Association advises these patients: Don't wait for hot weather; see your doctor now, so that your medication can be checked and modified if necessary, before the summer heat sets in.

Yanks Hold Lead In Little League

The Little League Dodgers eked out a win over the Yankees last Tuesday with a 1-run margin. The Dodgers had 13 runs, 10 hits and 4 errors; the Yankees had 12 runs, 11 hits and 6 errors. Winning pitcher was McCafferty, losing pitcher, Weiss. The Dodgers scored 6 runs in the bottom of the 6th for the win.

The Giants won Wednesday's game against the Cubs, with the Giants scoring 11 runs on 11 hits and committing 3 errors. The losing Cubs brought in 9 runs with 11 hits and had 7 errors. Winning pitcher was Kenny Leisegang, losing pitcher, Bill Erdman. The Giants came from behind in the top of the sixth with 3 runs.

The Sox held the Dodgers scoreless in Thursday's game, piling up 16 runs on 5 hits. The Dodgers couldn't score on their one hit and committed 5 errors. Dale Dvorak was the winning pitcher. M. Lindstrom the losing pitcher. Dvorak, giving up only one hit, struck out six men and belted out a 3-run homer.

The first-place Tigers scored 10 runs on 12 hits Friday to beat the last-place Yankees. The Yankees scored 6 runs on 6 hits with 5 errors. Winning pitcher was John Schaefer, losing pitcher Rick Weiss. Schaefer had a home run.

CAN ACCEPT SALARY RAISE

"SPRINGFIELD—The Chairman and the Secretary of the Illinois Liquor Control Commission can accept a raise in pay if such a raise is authorized by the General Assembly and signed by the Governor, Attorney General William G. Clark has held. This is true, Clark's opinion advised State Auditor Michael J. Howlett, because the constitutional prohibition against increasing the salaries of state officers shall not be increased or diminished during their terms of office is not applicable where there is no definite or fixed term for the person. The Liquor Control Act, Clark's opinion said, shows no fixed or definite term of office for the chairman or secretary of the commission.

Almost as many Americans go blind in one year as were killed in battle during the three years of the Korean war, states the Illinois Society for the Prevention of Blindness.

Regular exercise gives your circulatory system a bonus. Additional pipelines—collateral circulation—develop in response to the need of active muscles for more oxygen. In the heart muscle they provide good insurance in case of a heart attack, scientists have found.

Cited For Work On Teen-Age Drinking

Howard S. Cartwright, chairman of the Illinois Liquor Control Commission, has been cited by the Executive Newsletter of the Alcoholic Beverage Industry for "A job well done" against teen-age drinking.

Mrs. Patricia Kennedy, publisher of the newsletter, said Cartwright is the first recipient of the award, to be presented monthly.

Under Cartwright's direction, the Liquor Control Commission published and distributed a million copies of a pamphlet, "Operation Mins 21", which appeals to young people to comply with the state liquor control act. Mrs. Kennedy said.

The law provides penalties for the purchase, sale or possession of alcoholic beverages by boys and girls under 21 years old. Schools, churches, PTA groups, boys' clubs and other organizations have been enlisted in the campaign.

The first phase was a warning. The second phase, enforcement, has now begun. Sheriffs, mayors, state's attorneys and law enforcement officers throughout the state have pledged to enforce the law against buyers as well as sellers in violation of the liquor control act.

Summer Spectacular At Roller Rink

The performances of two musical groups will contribute to the Summer Spectacular at the Lake Region Roller Rink on Wednesday night, August 11.

A local group, the Gyrations, will provide the music for dancing. Members of the group are Frank Sebesta, Joe Lerner, John Sebesta and Al Lillig.

Sharp wit and lyrical comment will be added by traditional and original "Foke" pieces by The Gnu Foke.

The Gnu Foke are new to this area, but these experienced performers have become widely known through-out most of Chicago's coffee houses, night spots and college campuses. Television and radio appearances have contributed to their fast-rising popularity.

THE U. S. AIR FORCE THUNDERBIRDS will perform at the Waukegan Boating Festival. Here they're shown in a formation take-off.

Thunderbirds At Boating Festival

The U. S. Air Force Thunderbirds, supersonic acrobatic team, will appear over Waukegan's lake front at 7:30 p.m., August 10 and 11 as part of the Waukegan Boating Festival, August 7-11.

The six-man team flies red, white and blue North American F-100 Super Sabre jets and maneuvers them through a preplanned sequence of loops, rolls, whiffles and cloverleaf turns, climaxed by their famous "bomb burst." The Thunderbirds fly their entire show at low altitude and within one mile radius of the show area.

Fla. water ski team, led by The Cypress Gardens, Fla., water ski team, led by national champions Barbara Cooper Clack and LaRue (Joker) Osborn, will highlight weekend activities, August 7 and 8.

The world-famous water ski team's show, including jumping, barefoot and trick skiing, will be held at 1:30 p.m. and 4:30 p.m., Aug. 7 and 8 in the Waukegan Harbor.

Each ski show performance will be followed by a Sun Fish sailboat race put on by the Lake Bluff, Ill., sail-

Antique Show & Sale Draws Collectors

The annual Hinsdale Antiques Show and Sale will be presented at the Hinsdale Community House at Eighth and Madison Streets, Hinsdale, on September 8, 9, and 10. The show will feature displays by over 25 dealers who will be coming to the Hinsdale show from all over the United States.

According to antique collectors who have seen prior shows, this event has become one of the finest in the Midwest. Rare and unusual items such as jewelry, furniture, china, curios, crystal, pewter, and brass will be found in the various collections offered for sale.

The doors will be open daily at 11 a.m. and will close at 9 p.m. on Wednesday and Thursday and at 6 p.m. on Friday. A luncheon and tea will be served daily.

More information concerning this show may be obtained by calling FA 3-7500.

DEATH NOTICES

LOUISE DUNLAP

Mrs. Louise Dunlap, 73 years old of Hwy. 173 at Illinois-Toll Road in Newport Township, passed away Thursday, July 29, at 7:00 p.m. in the Lake County Home at Libertyville after a lingering illness. She was born Jan. 12, 1892 at Mount Vernon, Indiana, and moved to Chicago in 1928 where she resided until moving to Newport Township four years ago.

She is survived by two sons, Harold Dunlap, Hendersonville, North Carolina, and Paul Dunlap, Wadsworth, Ill.; two brothers, Edward and Kenneth Trafford, both of Mt. Vernon, Ind.; and two grandchildren.

Funeral services were held at 1:30 p.m. Monday at the Strang Funeral Home in Antioch. The Rev. Virgil Smith of the Community Methodist Church at Lake Villa officiated. Interment was in Mount Rest Cemetery at Rosecrans.

JOSEPH TYRDIK

Mr. Joseph Tyrdik, 73 years old of Indian Point, near Antioch, passed away at 11 a.m. Friday of a heart attack at his home. He was born July 13, 1892, in Chicago, the son of Peter and Louise Tyrdik. He resided in Chicago until moving to Antioch 15 years ago. Mr. Tyrdik retired 11 years ago as a tailor for Vondrak Taylors on 26th Street in Chicago where he had worked for many years. He held membership in the Amalgamated Clothing Workers of America Union.

Mr. Tyrdik is survived by two sisters, Mrs. Emily Jacobson and Mrs. Ella Husa, both of Antioch, two nieces and one nephew.

Friends called at the Strang Funeral Home in Antioch from 3 p.m. until 10 p.m. Saturday. A visitation was held after 2:00 p.m. Sunday, until time of services at 1 p.m. Monday at the Mee & Hamme Funeral home at 3918 West Irving Park Road in Chicago. Interment was in the Bohemian National Cemetery in Chicago.

CHARLES C. GERL

Charles C. Gerl, 79 years old, of Trevor, Wisconsin, passed away Monday, August 2, at the Silver Lake Rest Home, in Silver Lake, Wis., where he has resided for the past five years.

Mr. Gerl was born in Kellersville, Wis., on Nov. 8, 1885 where he lived until moving to Chicago. He has lived in the Trevor area since 1920. Mr. Gerl was a retired farmer. He married Emma Ruzek on June 16, 1908 in Chicago and she preceded him in death Feb. 19, 1960. One daughter, Anna, also preceded him.

Survivors are one son, George Gerl of Trevor; one sister, Mrs. John Brey, living in Cato, Wis.; one grandchild, George Gerl, Jr., also survives.

Funeral services were held Wednesday, August 4, at 10 a.m. in the Strang Funeral Home, Antioch. Interment was in Liberty Cemetery, north of Antioch. Friends called at the funeral home after 7 p.m. Tuesday until time of services Wednesday.

OTTILIE B. SPEICHER

Mrs. Ottilie B. Speicher, 70 years old of Burlington, Wis., passed away Sunday, August 1, at 8:20 a.m. in Burlington Memorial Hospital. She was born October 6, 1894 in Danzig, Germany, the daughter of Gustav and Wilhelmine Bahr.

Romance Blooms For Foreign Secretaries, Too

Within the next two months, 29 Foreign Service Secretaries will be getting married in 26 cities around the world. This is to be expected. It happens every few months. Romance doesn't limit itself to our country's borders.

Foreign Service Secretaries are selected for their sense of humor, their spirit of adventure, their ability to adjust to any circumstances. These are girls who like people and, as a result, people like them. Therefore it is no wonder that men entice them from their exciting Foreign Service careers to enter into matrimony—and as a result the Foreign Service must recruit other secretaries to replace these girls.

Getting married in most countries outside of the United States isn't very easy. The couple must comply with

local laws and two ceremonies are usually required: the legal ceremony at the Town or City Hall followed, within 3 days, by the religious ceremony.

Marriage contracts are still required in some countries and American-style dresses and wedding cakes may not be available on the local economy. But this is no problem to the Foreign Service staff at the post. Everybody pitches in and the bride's problems disappear and the ceremony and reception is individual, gay and lovely.

Perhaps a bride and groom in Taipei will ride from the church in a pedicab; a marriage ceremony will be performed at the Notre Dame Cathedral in Paris; a reception will take place in the Ambassador's garden in Tehran, or perhaps the honeymoon will be on Safari in Kenya.

Secretaries who are over 21 and who would like to travel and live in strange sounding places may receive employment literature concerning the opportunities in the Foreign Service by writing to Department of State, Post Office Box 1327, Chicago, Illinois 60607.

Planned Storage Helps Housekeepers

UNIVERSITY PARK, Pa.—Storing items where they are easy to reach and grasp is an important principle in home storage.

Keeping this principle in mind will help you to arrange storage so other members of the family can use it easily, says Helen E. Bell, extension home management specialist of The Pennsylvania State University. It also can help you find places for gardening, hobby, and play equipment that you don't use too often.

In the kitchen a pegboard makes it easy to reach and grasp tools as you need them. You can move hooks to accommodate various items. The do-it-yourselfer in the family can easily install pegboard, not only in the kitchen but also in the cleaning closet and over the workbench. Using pegboard to store items will save you time and energy.

Pegboard is easy to install to improve existing storage or to include in storage areas planned for a new house or for a remodeled one.

Other ideas for improving home storage are given in a publication of the Cooperative Extension Service of The Pennsylvania State University. For a copy send your name and address with 25 cents to STORAGE, Box 6000, University Park, Pa., 16802.

Mrs. Speicher came to America on May 15, 1926 to settle in Chicago, then moved to Silver Lake, Wis., in 1942, to Camp Lake, Wis., in 1950, then to Trevor, Wis., in 1957, and to Burlington, Wis., in 1960. She married Herman Speicher Oct. 15, 1927 in Chicago and he preceded her in death Nov. 23, 1959. She held membership in Hindenburg O. D. H. No. 30 in Chicago and was a member of Peace Evangelical Lutheran Church at Wilmet.

She is survived by three brothers, Oskar Bahr, Hamburg, Germany, Heinz Bahr, Hagen Boele, Germany, Otto Bahr, Berlin, Germany; three sisters, Mrs. Frieda Lenz, Solingen, Germany, Mrs. Hedwig Hohelsel, Hamburg, Germany, Mrs. Else Kurtenaker, Brandenburg, Germany.

Funeral services were held at 1:30 p.m. Wednesday at Peace Evangelical Lutheran Church at Wilmet. Vicar William Ziebell of that church officiated at the services. Interment was in Wilmet Cemetery.

Public Aid Rolls Drop In April

Springfield, Ill.—In April, the public aid rolls dropped by 7,778 persons from the previous month, according to a report released July 1 by Harold O. Swank, director of the Illinois Department of Public Aid.

The April reductions brought the public aid rolls down to 427,203 recipients, compared to 434,981 in March. The caseload for April 1965 was 7,082 below the April 1964 total of 434,285.

Public Aid expenditures in April were \$25,711,344 compared to \$27,384,444 in March. Payments for some medical services provided in prior months were included in the March expenditures. Medical payments in April were lower than March by \$1,189,503. Expenditures in April 1964 were \$24,277,300. These amounts include payment for burials, foster care for ADC children removed from unsuitable homes and aid to the medically indigent in Cook County.

Lake County had a total of 2,780 persons on public aid in April, at a total cost of \$151,635.

If it weren't for the installment plan, a lot of animals might be wearing their own furs this winter.

Reimer Edges Sullivan In Speedway Thriller

Point leader John Reimer edged Jim Sullivan at the end of fifty laps at the Waukegan Speedway Sunday night by a scant six feet after the two engaged in a hair-raising duel that lasted the final thirty-two laps.

Reimer, first tasted the lead on the 42nd lap; but previous leader, Harold "Mouse" Wade, fought back gamely; regained the lead; then battled Reimer wheel to wheel until lap 46 when both Reimer and Sullivan swept past. Eighty-seven cars, including 42 modifieds, 37 late models and eight demolition cars, entered the thirteen event program that was nearly sandwiched in between rain showers.

Jerry Hester took the initial lead in the midseason title tilt with Jim Ouellette and Wade in hot pursuit. Wade burst into the lead while Hester skidded wildly down the backstretch in the sixteenth lap, jamming up many of the cars behind him. On the 19th circuit, Sullivan, who had earlier spun and dropped to the rear of the field, caught Reimer. Now in 9th and 10th positions, these two arch-rivals started their 32-lap heated duel.

Wade held a comfortable lead when 4th place Jack Radtke smashed into the backstretch wall and necessitated a restart in the 31st lap. At the fortieth lap it was still a five car battle: Wade first, closely pursued by Claude "Potter," Reimer, Sullivan and Bill Strom.

Reimer inched ahead of Wade on the 42nd circuit, but Wade fought back and battled wheel to wheel with Reimer for the next four laps.

Meanwhile Sullivan matched skills with Potter and Strom, but was right behind Reimer as they spurred by Wade with only five laps to go. Only two laps short of the finish, Sullivan pulled even with Reimer, but to the mixed reaction of the wildly enthusiastic crowd, Reimer showed a burst of speed and powered to win by a slim six-foot margin. Potter also slipped by Wade to grab third in the final laps.

All four modified heat races turned out to be cliffhangers, as three were last lap decisions, while Ken Tlougan swiped the lead in the ninth lap to capture the third heat.

Red Murawski edged Jim Bozeiman by inches after early leader Fran Ansell crashed in the first heat. Ray Duba fought back to nose cut Homer Ansell and Bay Darnell in the second heat after Darnell inched ahead in the final lap, while Sullivan streaked by a skidding Strom on the last lap to take honors in the fourth heat.

Don Sorce moved into the lead on the tenth lap of the semi and raced on to win after narrowly escaping a violent four car crash in the sixth lap that eliminated Bob Strunk, Tom Anderson, Ken Tlougan and Hank Vogel.

Reimer Shatters Qualifying Record

The rain-soaked track proved to be a fast one—Reimer cracked the two year old, one lap qualifying mark with a .16.11 clocking on his third trial. Eddy Stillman had set the previous mark of .16.12 during the 1963 season. Twenty of the modifieds broke into the sixteen second bracket.

Dixon Wins Two

Ray Dixon became the ninth late model feature winner of the season with his tally Sunday night. Jim Cossman slipped into second place with two laps remaining and now is only a mere dozen points behind point leader Dennis Burgan. Burgan, Dixon, and Cossman each won heat races while Mike Wolff was the fastest qualifier.

Rainout At Wilmet Helps Harris

Heavy rains which forced cancellation of the racing program Saturday night at the Kenosha County Speedway in Wilmet have helped Duane Harris, point leader from McHenry, in his bid to become the first Illinois driving champion in the modified Stock Car Division in 14 years.

Harris, who drives a Chevy powered modified sporting a Tiger Tail from its tank, is now 38 points ahead of Jim Lawrence of Bristol.

The elimination of Saturday night's racing program reduces the chances of either Lawrence, Chuck Uttech or Jim Sullivan to catch up, to just five more Saturday night races.

Jim Sullivan of Antioch has been gaining steadily for the last three weeks, and while Harris won the last 25-lap feature at the track, Sullivan lost the least ground in the point battle.

The competition has been and will continue to be tougher than the point spread indicates because this year the drivers are shooting for a 1965 Plymouth Automobile as a bonus for the Championship honors.

The car is being presented by Diestler Motors of Kenosha, Paentim Auto Racing, Wilmet, and the Semrau-Scott Post of American Legion in Wilmet. In addition to this plum, the drivers will again be racing for \$1,000 in lap prize money for the final feature of the year.

This race will be for 100 laps and \$10 will be paid to each driver for each lap led. In the Spectator Stock Division, Harold Gutchie of Kenosha is leading in his bid to repeat as champion but Pop Kline of Pell Lake is making a very impressive battle of this tight race.

Training In Boat Operation At Festival

Boat operator training from certified boat instructors will be given without charge during the Waukegan Boating Festival, Aug. 7-10.

Instructors Howard Butler of Wilmette and William McCrellias of Libertyville will be at a Certified Boat Instruction exhibit on the Waukegan lake front to give the instruction from 10 a.m. to noon each day.

While designed for the new boater, Certified Boat Instruction is also tailored to help a boatman eliminate some of the frustrations that crop up while boating. The instruction deals with the simplicities of boating and helps a boatman erase embarrassment that occurs when having difficulty launching or docking, and performing other basic boating maneuvers.

Certified Boat Instruction is a project of the Outboard Marine Corporation currently being test-marketed in the Wisconsin and Northern Illinois areas.

Free Instructions For Young Skiers

Youngsters wanting instruction in water skiing can get it at a free water ski clinic as part of the Waukegan Boating Festival.

Youngsters 10 to 15 years old will get "dry land" instruction from the Cypress Gardens' water ski champions. The session will begin at 10 a.m. Monday, August 9, on Waukegan's main beach, in front of Johnson Motors.

The Cypress Gardens champions will discuss beginning techniques with demonstrations and will demonstrate their skills in tricks, slaloms and jumping.

Rifles Work Out For League Opener

The Lake County Rifles have completed their first two weeks of tryouts and grueling practice sessions. Thursday evening the week's practice was climaxed with a one hour scrimmage.

Coaches were particularly pleased with the running of Willie Thompson of North Chicago and former Bradley

University star Ron Curry. Thompson and Curry wheeled through the line for numerous long gainers. Former Waukegan HS great Covance Cable also contributed ably to the Rifle running game as he bulled his way for yardage in the Thursday session.

All-American quarterback Lew Flynn of Barrington unlimbered his magic arm and completed a number of passes to receivers Angelo Dabiero, Jim Bednar and John Patterson.

The Rifles are working out at Mundelein H.S. practice field on Tuesdays, Wednesdays and Thursday evenings at 7 o'clock. This week promises to be a real labor session for the Rifles with scrimmages the keynote. The Lake County Central States entry is making ready for its intra-squad game at Libertyville H.S. field at 2:00

FEWER PHEASANTS TO BE FOUND

Reports from game technicians indicate that Illinois hunters will find fewer pheasants in 1965 than they did last year, the Illinois Department of Conservation announced.

The lower Illinois population follows a national trend. Limits have been lowered and the season has been shortened because of the anticipated lower population.

Pheasant season will begin at noon CST Saturday, Nov. 13, and will end at sunset Dec. 12. The daily bag limit is two cock pheasant and the possession limit is four after the opening day. On opening day both limits are the same—two cock pheasants.

Unique Trophy In Hall of Fame

A unique trophy from major baseball's earliest days was presented to the National Baseball Hall of Fame at Cooperstown, N. Y., by Chairman A. E. Staley, Jr., of the A. E. Staley Manufacturing Co.

Presented by Mr. Staley was a silver punch bowl originally awarded to the Brooklyn team for winning the 1900 "world's championship," then given by the players to pitcher "Iron Man" Joe McGinnity. Twenty-five years later McGinnity gave it to A. E. Staley, Sr., as a token

of their friendship and of Mr. Staley's contribution to baseball.

The cup had been on display at the Staley Company's Decatur, Ill., headquarters for the last 40 years.

It will now be placed among other mementoes of great events in the history of baseball at the Hall of Fame Museum.

Mr. Staley, who is the son of A. E. Staley, Sr., traced the colorful history of the immortal McGinnity and his cup in making the formal presentation to Hall of Fame President Paul Kerr, July 26.

BOWLING WITH THE STARS

Why Bowling Instruction?

Bowling has become the greatest participant sport of all time. Experts estimate that more than 39,000,000 people are enjoying the game today. This number includes men, women and youngsters of all ages. Yet, our bowling centers across the nation are crowded with bowlers who are suffering from poor or mediocre scores for the lack of good fundamental bowling instruction. To these people bowling instruction has become increasingly more important and necessary.

It is through the distribution of instructional literature that the millions bowling today can receive help and advice from professionals. Bowling instruction has always been a somewhat contro-

versial subject. There are too many self-acclaimed instructors who don't know how to detect and correct a fault and second, the bowling styles of professionals are passed on to the novice and average bowler by these same self-styled instructors. When any bowler copies the style of a "star" bowler his or her game will suffer appreciably. Develop your own style and stick with it, providing you do not violate the fundamentals of good bowling.

The Right Way To Live It Up

Middle-Aged Q. American has two weeks with pay coming to him, and he has plans to live it up.

Cram a year's play into a fortnight, before settling back into the old leather-upholstered rut. You know the type: he's going to get his money's worth—on the tennis courts, skin-diving, mountain climbing—even if it kills him.

Vacations are for fun and games, the Chicago Heart Association agrees, but reckless playing, like reckless driving, can have tragic consequences. A few simple summer safety precautions can give Middle-Aged his money's worth of enjoyment with a bonus—better health.

Rule No. 1: You are not as young as when you were setting track or swimming records in varsity competition. (All right, you didn't set any records, but you gave them a good run for their money.) And if you're not in condition, you have an even bigger handicap.

No one is suggesting that you're ready for the rocking chair routine. Physical activity is good for you—in gradually increasing doses. If you use your pre-vacation weekends for warm-up activity, you will have a good head start. And you will find that each day's round of activity gives you an extra reserve for a longer next session. This brings us to...

Rule No. 2: Know when you've had enough—and quit. "Just one more" set of singles or race to the edge of collapse, especially if one of your youngsters is setting the pace. On a very hot day, with high humidity, there is danger of heat exhaustion or heat stroke, even for young athletes who over-exert.

Knock off when you feel tired, and don't be ashamed to admit it. In very hot weather, play only during the cooler hours of the day, and for briefer periods; to offset loss of salt through heavy sweating, sprinkle more salt on your food.

You've pushed yourself too far if:

- * You are out of breath and your heart is still pounding several minutes after exercise.
- * Marked weakness or fatigue is still present an hour or two later.

Rule No. Three: Overeating adds to the heart's work. Overeating followed by exertion is asking for trouble.

The Chicago Heart Association reminds you that professional athletes eat lightly before they go into action, have their heavy meal afterward.

Rule Number Four: If you have or suspect you have any degree of cardiovascular disability, see your doctor before you go on vacation. He will set limits and prescribe medication where indicated.

For skin-divers and mountain climbers, here are a few special rules to keep in mind:

- * "Snorkeling" requires the skin diver to breathe hard from the beginning, as though he were already tired. You should therefore avoid exhausting situations: stay away from currents, for example. (The work of fighting a current is a severe test even for a normal circulatory system.) Take a float along, too—call it portable security, if you wish—and never go alone.

Under certain circumstances even young persons with normal cardiovascular systems may fail to adapt to high altitudes—if the change from sea level is too sudden and is followed immediately by physical exertion. Your heart needs a few days to compensate for the lower oxygen content of the thin air—before it can meet the additional demands of muscular activity. Plan your program accordingly.

Angel Gabriel On Special Xmas Stamp

A bit of quaint Americana will be captured on the 1965 Christmas postage stamp. The 5-cent stamp will reproduce an early 19th century New England weather-vane that depicts Gabriel blowing his horn.

The stamp will be issued in November. An initial printing of one billion, 200 million has been ordered.

This is the fourth in the series of special stamps intended for use during the holiday season. The three earlier issues were best sellers.

The Gabriel weathervane stamp is based on a watercolor by Boston Artist Lucille Gloria Chabot, painted in 1939, and is part of the Index of American Design, housed in the National Gallery of Art, Washington, D.C.

The Gabriel weathervane is about five feet high and combines a tubular copper horn with a gilded iron figure. It was fabricated in 1840 by Gould and Hazlett, of Boston, Mass., a fact that came to light years later when a paper stuffed into the horn was discovered by workers refurbishing the weathervane.

The Christmas stamp will be printed on the Giori press in red, green and yellow.

At the top of the stamp, in red, is "5c U. S. Postage," and at the bottom, also in red, is "Christmas."

Robert Jones designed the stamp. It was modeled by Howard C. Mildner. Engravers are Charles A. Brooks (vignette) and Howard F. Sharpless (lettering and numeral), of the Bureau of Engraving and Printing.

The archangel Gabriel appears in the literature of Moslems, Jews and Christians.

VFW Items

A few tickets are still available for the Steer Roast, sponsored by the Lake Villa VFW Post, to be held August 7, at the Post home, located on Soo Lane Road and Grand Ave.

Serving will start at 5 p.m. and continue until all the food is gone. Dancing will be held after the dinner, with music furnished by the "Clowns".

The National VFW convention will be held at the Conrad Hilton Hotel in Chicago August 13, through the 21st.

The Department of Illinois kick-off dinner will be held at the Flick-Reedy Corporation at Bensenville in October, date to be announced later.

The Fifth District meeting will be held at Mokena August 8.

A number of Lake Villa VFW Post and Auxiliary members, the Kadette drill team participated in the V-J Day parade at Woodstock Sunday.

Royal Neighbors

The Royal Neighbors officers club will meet at the home of Mrs. Elsie Spitzhack Thursday, August 12, at 12 noon. A dessert luncheon will be served by the hostess. Co-hostess will be Helen Reimer.

Congratulations

Mrs. Frank Slazes is receiving congratulations on the arrival of a grandson, born last week to Mr. and Mrs. Danny Slazes. This is the couple's first child.

Visitors

Mr. and Mrs. James Strachan of Sebastopol, Calif., spent a week at the home of Mrs. Harvey Brooks.

Mrs. Michael Gray and son of North Carolina visited relatives here recently. The Grays reside at the Marine Base at Cherry Point, North Carolina, where PFC Gray is training.

August Tanner of Chicago visited friends and relatives in Antioch and Lake Villa last week.

Mr. and Mrs. Robert Pearson and family of Minnesota visited Mr. and Mrs. Clifford Bartlett. Bob and Clifford were buddies in the Sea-Bees.

Mr. and Mrs. James McGrain and family of Waukegan were Lake Villa visitors Sunday.

Norman and Everett Nelson visited relatives in Lake

Villa recently.

The Reidel families held a family reunion last Sunday at Fox River Grove, Wis. About forty were present.

Birthday Observance

Carrie Ann Bartlett entertained a number of playmates Thursday in observance of her fifth birthday. In the evening her grandparents, Mrs. Helen Raymer of Waukegan and Mrs. Fred Bartlett, Sr., also from Waukegan, Mr. and Mrs. Stanley Hollis and Mrs. William Murphy and daughter enjoyed cake, ice cream and coffee.

Mrs. Robert Kammein is a patient at the St. Therese Hospital. She is recovering slowly.

Loss of salt through heavy perspiration in hot weather can pose special problems for people with circulatory disorders, the Chicago Heart Association points out. They should check their doctors to find out if their medication needs to be changed during the summer.

ANNOUNCING — new phone service plans to save you money

Now, call anywhere in this area (including Chicago)
as often as you want... talk as long as you like
for a fixed monthly rate

New Outer Metropolitan Call-Pak services are now available on an optional basis to all home telephone users within the shaded area of the large map above.

One of the new services—Outer Metropolitan Call-Pak "Unlimited"—lets Antioch customers call as often as they want, talk as long as they like, anywhere within the 3000 square miles of the entire map above (plus Richmond, Spring Grove, North Antioch, Wisconsin, Trevor, Wisconsin). We call this area the Outer Metropolitan Calling Area.

EXPANDED TOLL-FREE CALLING AREA FOR ANTIOCH CALL-PAK (EXCEPT "UNLIMITED") AND OUTER MET BUSINESS CUSTOMERS

white area—present toll-free calling area for Antioch customers.
dark area—additional toll-free calling area for Antioch customers choosing Outer Metropolitan Call-Pak (except "Unlimited") or Outer Metropolitan Business Service. (customers in other communities have different toll-free calling areas.)

With "Unlimited" service, you pay only the fixed monthly charge—no Long Distance charges—for calls within this entire area.

The monthly charge* for Outer Metropolitan Call-Pak "Unlimited" is \$30.00, plus tax, for Antioch customers.

Other Call-Pak Services Offered

Other Outer Metropolitan Call-Pak services, at considerably less cost, offer three money-saving features:

- a toll-free calling area expanded to include all Illinois communities within roughly 15 miles of yours (see map at left).

- a monthly package of calls you can use to phone anywhere else in the Outer Metropolitan Calling Area (entire map above, including Chicago). The calls in the package come at volume discount prices. And you can choose from three different-sized packages of calls to fit your need.

- a saving of 10% under regular Long Distance charges on calls within the Outer Metropolitan Calling Area that exceed your package of calls.

For Businesses: New Metropolitan Service
New Outer Metropolitan Business Service gives you a larger toll-free calling area—including all Illinois communities within roughly 15 miles of yours (see map at left). In addition, on all calls outside that area—but within the Outer Metropolitan Calling Area—you realize a saving of 10% under regular Long Distance charges.

For More Information, Call Us

You'll find complete information about the new services in this pamphlet that came with your July phone bill. If you have any questions, just dial zero for "Operator" and ask for "Call-Pak" during business hours any weekday.

Other Reductions, New Services

These Outer Metropolitan services are the latest in a series of rate reductions and new service offerings.

On June 19, Long Distance rates were reduced for many Saturday, Sunday and evening calls within Illinois. Lowest rates for all "station" calls, inside and outside the state, now apply anytime Sunday and other days after 8 p.m.

Earlier changes included introduction of an economical Two-Line Family Plan; price cuts for out-of-state Long Distance calls, Bell Chime and color phones; and a stepped-up program to improve service.

*With all Call-Pak offerings regular charges also apply for extensions, Princess® phones and other services.
